1. School Tuition Fees

Application Fee

A one-time non-refundable/non-transferable application fee of AED 525 inclusive of VAT is payable at the time of application.

Registration Deposit

A Registration Deposit of AED 4,000 is required in order to confirm your child's place at Bloom World Academy within seven business days from the offer of acceptance. This payment will be offset against the annual Tuition Fees.

Should a student choose not to take the reserved place, the registration fee will be non-refundable, unless the cancellation reason is outside of the parent's control (employment relocation outside the UAE or employment termination causing departure from the UAE). In such circumstances, the full Registration Fee will be refunded once parents have submitted the necessary evidence (e.g. letter from their employer, proof of cancellation of visa, or enrolment confirmation from the child's new school outside of Dubai). If the parent decides to homeschool the student, they will not be eligible for a refund.

Tuition Fees

Parents are required to pay the balance of the first term fees at least one month before the beginning of the academic year and hand in post-dated cheques/credit card authorisation forms for the subsequent term/s.

All tuition fees are payable in advance of attendance and can be paid annually or termly.

- Registration Deposit (Offset against the annual Tuition Fees) – due within seven days of offer acceptance
- Annual Fees or Term 1 Fee (40% of Tuition Fee) – due by 1st August
- Term 2 (30% of Tuition Fee) – due by 1st December
- Term 3 (30% of Tuition Fee) – due by 1st March

Applicable fee increases will be subject to KHDA approval and will be applied to the KHDA approved fees, in line with the KHDA School Fees Framework.

The fees in the table below include tuition of the IB curriculum and Pathway subjects, a wide range of Bloom Enrichment Learning Activities (BELA) before and after school, access to a personal device (iPad or Macbook) and transport for sports fixtures.

2. Terms and Conditions

Non-Payment of Fees

In line with Ministry of Education and KHDA regulations, non-payment of tuition fees within set payment deadlines may result in:

- Withholding of the student's school reports, references, and/or examination results
- Temporary or permanent expulsion or exclusion from the School

Existing Students - Re-Registration Deposit

A school may charge up to 5% of the student's annual tuition fees as a re-registration deposit to confirm the return of existing students in the new academic year. A re-registration deposit of AED 3,000 is required to confirm your child's continued place at Bloom World Academy, and is due after the Spring Break as per the KHDA School Fees Framework. This payment will be offset against the annual Tuition Fees.

Re-registration for continuing students will not be accepted unless all outstanding fees have been paid in full, and KHDA registration requirements have been completed.

3. Discounts

Sibling Discounts

If more than one sibling from the same parents is admitted in the BWA Dubai campus the younger sibling is eligible for a 5% discount on their tuition fees. The discount is applicable on tuition fees of the younger sibling while the eldest sibling pays full tuition fees.

Students availing scholarships, corporate discount, or any other discounts with Bloom World Academy are not eligible for a sibling discount. Siblings discount is not applicable on transport fees, uniform fees, trip fees, extracurricular fees, cafeteria fees or any other fees charged by the school.

The school management has the right to verify sibling relationships through documentation, such as birth certificates or legal guardianship papers. The school management has the right to deny or recover the sibling discount in case the documents are found to be false, tuition fees for the siblings are not paid regularly, siblings are not adhering to school policies or are involved in misconduct. Sibling discounts may be renewed each academic year, along with the re-enrollment process for all students.

Child	Sibling Discount
Eldest child	0%
Second child and above	5% discount on tuition fees, for duration of the child's enrolment at school

**Sibling discounts will continue for younger family members after their elder siblings have graduated.*

Referral Discounts

At Bloom World Academy, we value our community and the families that are part of it. Share your experiences with friends and family and receive a discount once they enroll. You will receive 5% discount on the full-year's tuition fees of your youngest child when your friends or family enroll in our school (up to 15%).

The referral is applicable to the referrer parent if the referred student has met the school admission criteria, accepted the school place offer, supplied all required documentation, and paid their first term's fees.

**BLOOM WORLD
ACADEMY**

The referral discount is applicable per family (siblings from the same family considered as one referral) and a 5% referral discount will be adjusted against the referrer's 2nd term's fees. If the fees have been paid in full this 5% will be held on account for future adjustments.

The referral discount is not applicable if the referred student is applicable for a tuition fee discount.

The discount is only applicable for one academic year which is the academic year when the referral was introduced to the school.

The discount will be applied to the youngest sibling, if the referrer has more than one child enrolled at the school. A parent can refer up to a maximum of three families.

The school management has the right to deny referral discount in case the referred students are not paying the tuition fees regularly, referred students are not adhering to school policies or involved in misconduct. The referral discount is applicable on tuition fees only and not applicable on transport fees, uniform fees, trip fees, extracurricular fees, cafeteria fees or any other fees charged by the school.

Global Village Competition

Four students were selected in the Global Village competition based on the portfolio submitted. The students have been awarded 50% to 100% scholarship starting from two years until end of their school education.

For continuation of the competition scholarship the students should:

- Compile a physical or digital portfolio of all scholarship programme work completed throughout each academic year. Portfolio work will also be required for the annual celebration event in June. It is recommended that the portfolio includes attendance and contribution at all scholarship and school events and activities, personal achievements, and samples of exemplar work.
- Act as a role model for other students. By being part of the scholarship programme, students are considered to be Student Ambassadors.
- Attend and fully participate in all required activities related to the scholarship programme. Attend rehearsals / perform / participate / help at required exhibitions / fixtures and events.
- Support the school in developing and leading after school after school activities / CAS in their area of expertise.
- Study to his / her full capacity, at all times, and achieve academic targets in specified subjects.
- Follow all school rules and adhere to the behaviour for learning policy, without exception, at all times.
- Maintain high levels of school attendance (96%+) and punctuality to both school and lessons.

Early Payment Discount

This discount is applicable for early payments of the full 2026/27 academic year's tuition fees in advance before 30th June 2026, and offers a reduction of 2.5%.

Staff Discount

The school staff discount policy aims to provide benefits of reduced tuition rates for their children to eligible employees. The tuition fee discount benefit would be mentioned on the employment contract, offer letter or benefits addendum applicable to the relevant school staff maintained with Bloom Education human resources team.

The benefit could be up to 100% of the tuition fees of the eligible employee's children. The school may ask for the income details of the employee's spouse and reduce the tuition fee benefit based on Bloom Education's duplication of benefits policy.

All teaching staff and School Senior Management are entitled to a 100% tuition fee concession up to maximum of two children (Pre-KG – Grade 12 only). Teaching staff and Senior Management who wish to enroll a child in our Early Excellence Centre (EEC) for students aged 18 months – 3 years old, are entitled to a 30% tuition fee concession. In case a married couple is working as a teacher or SLT member (not applicable if one of the spouses is a Teaching Assistant or an Admin staff) the fee concession would be extended to three children. This may change subject to company policy.

Non-academic staff and teaching staff for their third or more children are entitled only in special circumstances and subject to management approval to a discount of up to 35% of the KHDA approved fees.

The % discount is mentioned in the employment contracts of all eligible staff.
